

**Treat yourself to a Star for Christmas
Registrations open for the 35th edition of the Stella Alpina**

*The 35th edition of the Stella Alpina will be held from **June 26th to 28th 2020** - three exciting days behind the wheel to enjoy the most scenic routes in the **Dolomites**. Those taking part in this unforgettable classic car tribute rally will be staying at Madonna di Campiglio, the Pearl of the Dolomites, for the first time ever.*

The programme has been updated for 2020 with an itinerary based entirely in the mountains and a route that will take the participants high up, close to the sky, across some of the most thrilling mountain passes in the Alps.

Three unforgettable days on roads at high altitudes, two nights' accommodation at **Madonna di Campiglio**, and the rally's departure and arrival point at Trento, are just some of the reasons to register to take part in this edition running from June 26th to 28th.

Unspoilt nature, breathtaking views, challenging hairpin bends, and timed trials are a mix of ingredients with the promise of a memorable adventure.

The rally will get off to a start on **Friday, June 26th**, in the centre of Trento and head off towards lush Val Rendena in the Adamello-Brenta Nature Reserve where the legendary Dolomites dominate the surroundings and the natural beauty spots only to be found in this valley. The crews will stay at Madonna di Campiglio, a very fashionable and highly desirable holiday town, for the entire rally.

Saturday is set to be a very exciting day when the competition awaiting the crews is a question of hundredths of a second, as they speed across the area's scenic roads through the **Dolomites**, a UNESCO World Heritage Site.

On the following day, **Sunday 28th**, they will be driving down to Lake Garda before returning to Trento in time for the awards ceremony at Cantine Ferrari.

Registration

Registrations are already open with **special rates** available until February 28th. The event is being organised by Scuderia Trentina and Canossa Events, and so crews registering for both the Terre di Canossa and the Stella Alpina will be offered a **special deal**.

See you in June

Many thanks to all the crews who have taken part in past editions of the rally, to all those who will be joining us in 2020, and to the people getting the event ready with their usual devotion and enthusiasm.

We would also like to mention some of our top sponsors whose support makes the rally even more special: Azimut, main sponsor of the event and who will be commemorated as usual with its own special trophy, Banca Galileo, and Cantine Ferrari.
